What: Rollover Training

When: MAR 2015

Who: 1st Armored Combat Brigade

Where: RTS-M, Ft Hood

RTS-M Fort Hood supported 43 Soldiers from the 1st Armored Brigade Combat Team with the 1st Cavalry Division in their rollover recovery operations. The Soldiers were conducting training in preparation for their NTC rotation. The RTS-M provided the MRAP for rollover and the training area. The 1st ABCT then supplied 5 track mechanics to help the RTS-M remove and replace the track on the M1A1 Abrams.

As of **31 MAR 2015**
